# Washington Women's Racquetball

**Neal Heggen and Wanda Collins** are hosting this yearly event, the only thing that has changed is that it's in Sept-Oct and not in Feb. The tournament will be held at the Washington Athletic Club in Downtown Seattle.

This tournament is still a **fund raiser** for the **Washington Juniors Racquetball Association**.

**Neal Heggen** will be hosting the **Auburn VW Open Oct 8th-10th** at the **Kent Bally's**.

This yearly event has proven time and again to be fun filled with lots of great food.

Feel free to contact me at any time!

# NOVEMBER

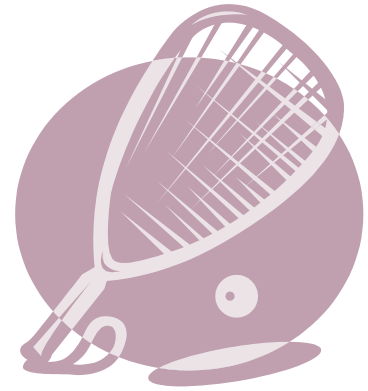

Here in Washington November is going to be a BIG month!! We have two MAJOR tournaments a few weeks apart that will be providing us with the opportunity to watch some amazing professional!

In early November we have the IRT coming to the WAC in Downtown Seattle. Then mid November we will once again have the opportunity to watch

the WPRO in Olympia.

Both of the tournaments will be bringing in the top professionals in the sport for us to watch, learn from and mingle with.

The tournament directors, Fran Davis (IRT) and Cheyenne Hayes (WPRO), have worked hard to give us this opportunity so take advantage of both events!

## Seattle Pro Am Racquetball Championships

November 3-6

The **Seattle Pro Am** is a **Tier 1 IRT** (International Racquetball Tour) event taking place at the WAC on **November 3-6** and will feature the BEST professional racquetball players in the WORLD from the IRT hosted by the Washington Athletic Club.

The tournament will offer 59 amateur singles and doubles divisions, allowing you to play all weekend long as well as watch the best professionals in the game.

This event is a fundraiser for the Fred Hutchison Cancer Research Center.

## The WPRO and the Puget Sound Challenge Pro/Am

November 17-20

**Cheyenne Hayes** is once again bringing back the **WPRO** for a **Tier 1** event AND it will be streamed live around the WORLD as it happens on the IRT/WPRO Network!

Last year over 40 women played in this tournament which is an outstanding turnout!! Once again this tournament will have all levels available for the amateurs and a great draw for beginning women players!
