Scholarship Opportunities:

The Washington Junior Racquetball Association conducts fundraisers during the year to help junior players with the cost of equipment, entry fees and travel expenses for all sanctioned events. The success of these fundraisers is directly related to our ability to help juniors defray expenses associated with their racquetball experiences.

- ❖ Half of your entry fee for any Washington sanctioned tournament will be paid by the WJRA.
- ❖ Your complete entry fee for Regionals or Junior Nationals will be paid by the WJRA.
- ❖ The WJRA will help you locate a racquet. We have players throughout the state that are very generous in donating new and gently used racquets for junior players.
- ❖ The WJRA can help you locate a junior racquetball program in your area, including summer camps.
- ❖ The WJRA is always looking for additional fundraisers and donations. Contact us with your ideas!!
